How to Find Courses (cont.)

How to Create a User Account (cont.)

The left screenshot shows the login page with a 'Create a User Account' button highlighted in a red box. The right screenshot shows the 'Create Account' page with a red box around the 'New to this site?' registration form.

How to Create a User Account (cont.)

You must use your work email address, not personal, as this is how the system will link you to your organization

The screenshot shows the 'Create Account' page with the following sections:

- Organization Information:** A dropdown menu is set to 'Commercial Vehicle Safety Alliance'.
- Basic Information:** Includes a 'Profile Photo' section with a 'NO IMAGE' placeholder and a 'Change Profile Photo' section with a 'Choose File' button.
- Registration Fields:** Email (john.doe@cvsa.org), Password (with requirements: 'Be at least 8 characters' and 'At least 1 uppercase letter'), and Confirm Password.

How to Create a User Account (cont.)

Email: john.doe@cvsa.org Password must meet the following requirements:

Password: * [] At least 8 characters
Confirm Password: * [] At least 1 uppercase letter
First Name: * John At least 1 lowercase letter
Last Name: * Doe At least 1 number
Suffix: * [] At least 1 symbol (* \$ % & ' () ! , > < ' : ; _ -)

Passenger Carrier Vehicle Inspection Certification Course - Grand Canyon, AZ - April 11-13, 2023

Description

This certification course will provide participants with the knowledge, skills, and ability to safely and properly inspect a passenger-carrying vehicle in accordance with the Federal Motor Carrier Safety Regulations and the CVSA North American Standard Level I Passenger-Carrier Vehicle Inspection Procedures.

Attendees will learn to:

- Utilize the special equipment necessary for inspecting passenger-carrier vehicles
- Determine the applicability of the Federal Motor Carrier Safety Regulations for different types of passenger-carrier operations
- Identify the mechanical and component differences between a truck and passenger-carrier vehicle
- Perform the undercarriage inspection of the passenger-carrier vehicle
- Identify the proper location to place the CVSA decal

Upon the successful completion of this course, participants will be qualified and certified to inspect passenger-carrier vehicles in accordance with the safety regulations while ensuring the safety of passengers and the motoring public.
